Fellow Christians,

We respectfully invite you to join YEA in its ministry to children and youth in **Casa Kim**, Home for Children in Tekax, Yucatan, Mexico.

This facility operates only in cooperation with local and state social services (DIF). Local and state DIF assign children/youth who have been abandoned, children who have been physically or sexually abused, children whose parents are incarcerated, and young, unmarried women who chose not to abort their unborn babies.

It is our plan to:

provide physical needs for these young people,
nurture children/youth during this time they are separated from family, and
encourage children/youth to continue school.

This work is a new ministry for YEA, and there are many needs. These on-going needs include school fees, school books and supplies, school uniforms, food, clothing, recreation materials, and costs incurred in the operation and maintenance of the facility. Your support will be most appreciated. Sponsorships of \$30.00 per month are suggested, but we will be most grateful for any assistance you can provide.

Please consider helping us minister to these children and youth. Contributions may be sent to YEA at:
